Partial List to Start Semester U Bookstore and Utrecht have received this list. I have noticed that with money getting tighter, my students are trying to get by without buying all supplies for their courses. You will need to purchase these items and will need to have them on hand in order to do the assignments in this course.

Have with you Thursday August 23 supplies you already own, including:

18x24 bond paper you have on hand (6 sheets should suffice most days)

Drawing board w/ clamps “ “ “ “

Med. Large brush(es), non-oily I do prefer

a large bamboo brush for flexibility of mark-making.

Cans/jars for water, 2 or more

AND Watercolor pencil, any dark (not grayish) lead color

Generals woodless graphite pencil, medium, 2B or 6B*

(*Some Generals kits may be a good deal for some students)

Pencil sharpener (or Xacto knife) to accommodate all pencils

Prismacolor or Spectracolor pencil, any dark color, at least 1 pencil
