In addition to University General Education and teaching major or composite departmental requirements, the Secondary Teacher Licensure Program includes 51 semester hours of required course work (some courses may be double counted toward General Education requirements). Education courses are taken in two categories: Pre-admission courses and Post-Admission courses (requires acceptance into licensure program). Make an appointment with the secondary education advisor, Sharon Adams (585-9436), early in the program to learn about the education program and requirements.
