Student artists: You are invited to join the PHOTOGRAPHY/DIGITAL IMAGING Studio Emphasis!

Our goal is to have you study with a group of focused and dedicated student artists who are as fully committed as you are! This kind of learning environment will help and challenge you to reach your fullest potential and give you the best educational experience possible. In order to be a part of this great group, you must apply for acceptance to the program. It's easy!

Bring application & portfolio to the Department of Art & Art History office, room 161 ART, between the hours of 8:30 am and 4:30 pm on Monday, March 3.

Your name must be on your portfolio and all pieces included. Evaluation will be based on a review of First Year Studio grades and portfolio, as well as a letter of intent. See Photography/Digital Imaging Program Application and instructions under the Photography Studio Area on the website: www.art.utah.edu

Those applying should be students who have completed or almost completed First Year Studio or transfer students who have had some foundation work in 2D and 3D. Your portfolio can be primarily photography, but you are welcome to include work in any medium. If you choose to include 3D work, it must be submitted in slide, photo or CD form only. Transfer students must include a copy of transcripts with your portfolio.

All portfolios must be picked up on Friday, March 7, 2014.
